

A decorative border of orange basketballs surrounds the text. The basketballs are of various sizes and are arranged in a way that they appear to be floating or scattered around the page. The background is white.

Hello everyone,

I will be hosting 3 basketball skills camps at QD Academy during the summer.

You are welcome to attend all sessions. The schedule will be as follows:

June 12th-16th

July 10th-14th

August 7th-11th

Camp will be 9 am - noon from Monday through Friday. This will give me 3 hours of quality time to work with the players. I guarantee they will improve after the week! We will be reinforcing skills we have been working in class and introducing some new skills as well. I cannot emphasize enough the importance of fundamentals including ball handling, shooting, fakes, footwork, and decision making to build a solid foundation for young students. Many of my students go on to receive full scholarships to play college basketball. Others are currently playing school basketball in the DFW area. Whether or not your child is interested in playing sports at the next level, playing basketball is a healthy way to maintain a well-rounded lifestyle.

The camp fee will be \$210. Please bring cash or a check to the first day of camp. RSVP by emailing bestquanli@yahoo.com to let me know if your child can attend. This way, I can make sure I have enough space and accommodate all students who want to come. Last year, there was some confusion because many more students came to camp than I was originally expecting. I look forward to instructing camp this summer. We always have a great time! Please let me know if you have any questions.

Thanks,

Coach Li
