

EV3 Robotics Summer Camp

Date: 8/3/2020 to 8/7/2020

Time: 9am to 4pm (lunch provided)

Location: QD Academy, 4100 Legacy Dr., Plano, TX 75024

Price: \$335 per participant

Register with QD Academy directly

Contact info: <http://qdacademy.org/contact.php> (469) 241-1507

- Two participants per EV3 Robot (Maximum: 20 participants, 4th -6th graders)
- Learn the basics of robot building with Lego technic parts: chassis and attachment building
- Learn the basics of programming with EV3 software: motors, sensors and dive into advanced topics such as line follower
- Practice and refine robotics skills on FLL mission fields from past seasons
- Learn from a veteran FLL team (now an award-winning FTC team, Semifinalist captain team at FIRST world championship) and interact with their world class Velocity Vortex, Rover Ruckus and Skystone Challenge robots

Front Line Youth in Science
Engineering and Technology
